2026 Tuition Fees

10 September 2025

Dear Parents and Guardians,

I wish to advise that the Board of Management has approved the 2026 Schedule of ELC Tuition Fees.

The budgeting process is a thorough examination of all critical expenditure required to produce the best outcomes for all students at Oakleigh Grammar.

The fee structure is carefully determined to ensure we deliver quality programs that are balanced against the desire to maintain affordable fees for our families.

Yours sincerely,

Elizabeth Chackola
Business Manager

Holiday Program

Join us for the Oakleigh Grammar ELC Holiday Program, where enriching learning experiences extend throughout the holidays. Our holiday program enhances and extends on the learning within our classrooms. We harness the children's natural curiosity to drive engaging learning experiences, building on the progress made during the term. Through inquiry-based activities, we encourage children to observe, theorise, investigate, and experiment. Children collaborate to deepen and share their understanding of the world around them. This inquiry approach allows us to embark on a shared learning journey with the children.

Children currently enrolled in K3 and Pre Prep are welcome to book Holiday Program sessions.

What to bring

During the Holiday Program children are expected to wear their ELC uniforms to maintain consistency and continuity throughout the school year. The ELC uniform supports making morning routines easier and fostering a sense of belonging. Children should bring their own packed lunch, hat, water bottle, and a change of clothes each day. Please do not pack nuts or nut products due to allergy concerns. We will continue to provide healthy snacks for afternoon tea which will consist of a fruit platter and sandwiches.
